Erratum

In the paper “Synthesis and Electrode Properties of α-Fe₂O₃ from Iron Phthalocyanine,” by X. Wu and S-B. Kim that appeared on pp. 184-186 in the April 1999 Letters, Vol. 2, No. 4, the following typographical error appeared:

The caption for Figure 5 should read:

**Figure 5.** Cycling behavior for Li-Fe₂O₃ cells using a sample fired at 320°C as the positive electrode.

We would like to thank Dr. Wu for bringing this error to our attention.
